v.

Criminal No. 06-cr-161-01-JD

Eugene Williams

**O R D E R**

Mr. Williams' new petition for bail is denied. While he has a fiancé of eight months and has indicated a willingness to work at "Labor Ready" that is not enough. This is a narcotics charge with strong evidence. He has a substantial criminal record. He denies he is on parole but his records suggest otherwise. He has led a nomadic life and his last employment was for two weeks.

The motion is denied.
